Graduation Data source: 2019-2020 cohort

Graduation measures whether students successfully completed all requirements to move on from high school. Graduation also includes an indicator of diploma strength which measures whether graduates completed the requirements of Indiana's Core 40 diploma designation or higher and did not receive a waiver from the graduation exam or the graduation pathways requirements. Students in the most recently finalized cohort enrolled in the school are included when reporting graduation information.

What are the federal graduation rates for this school?

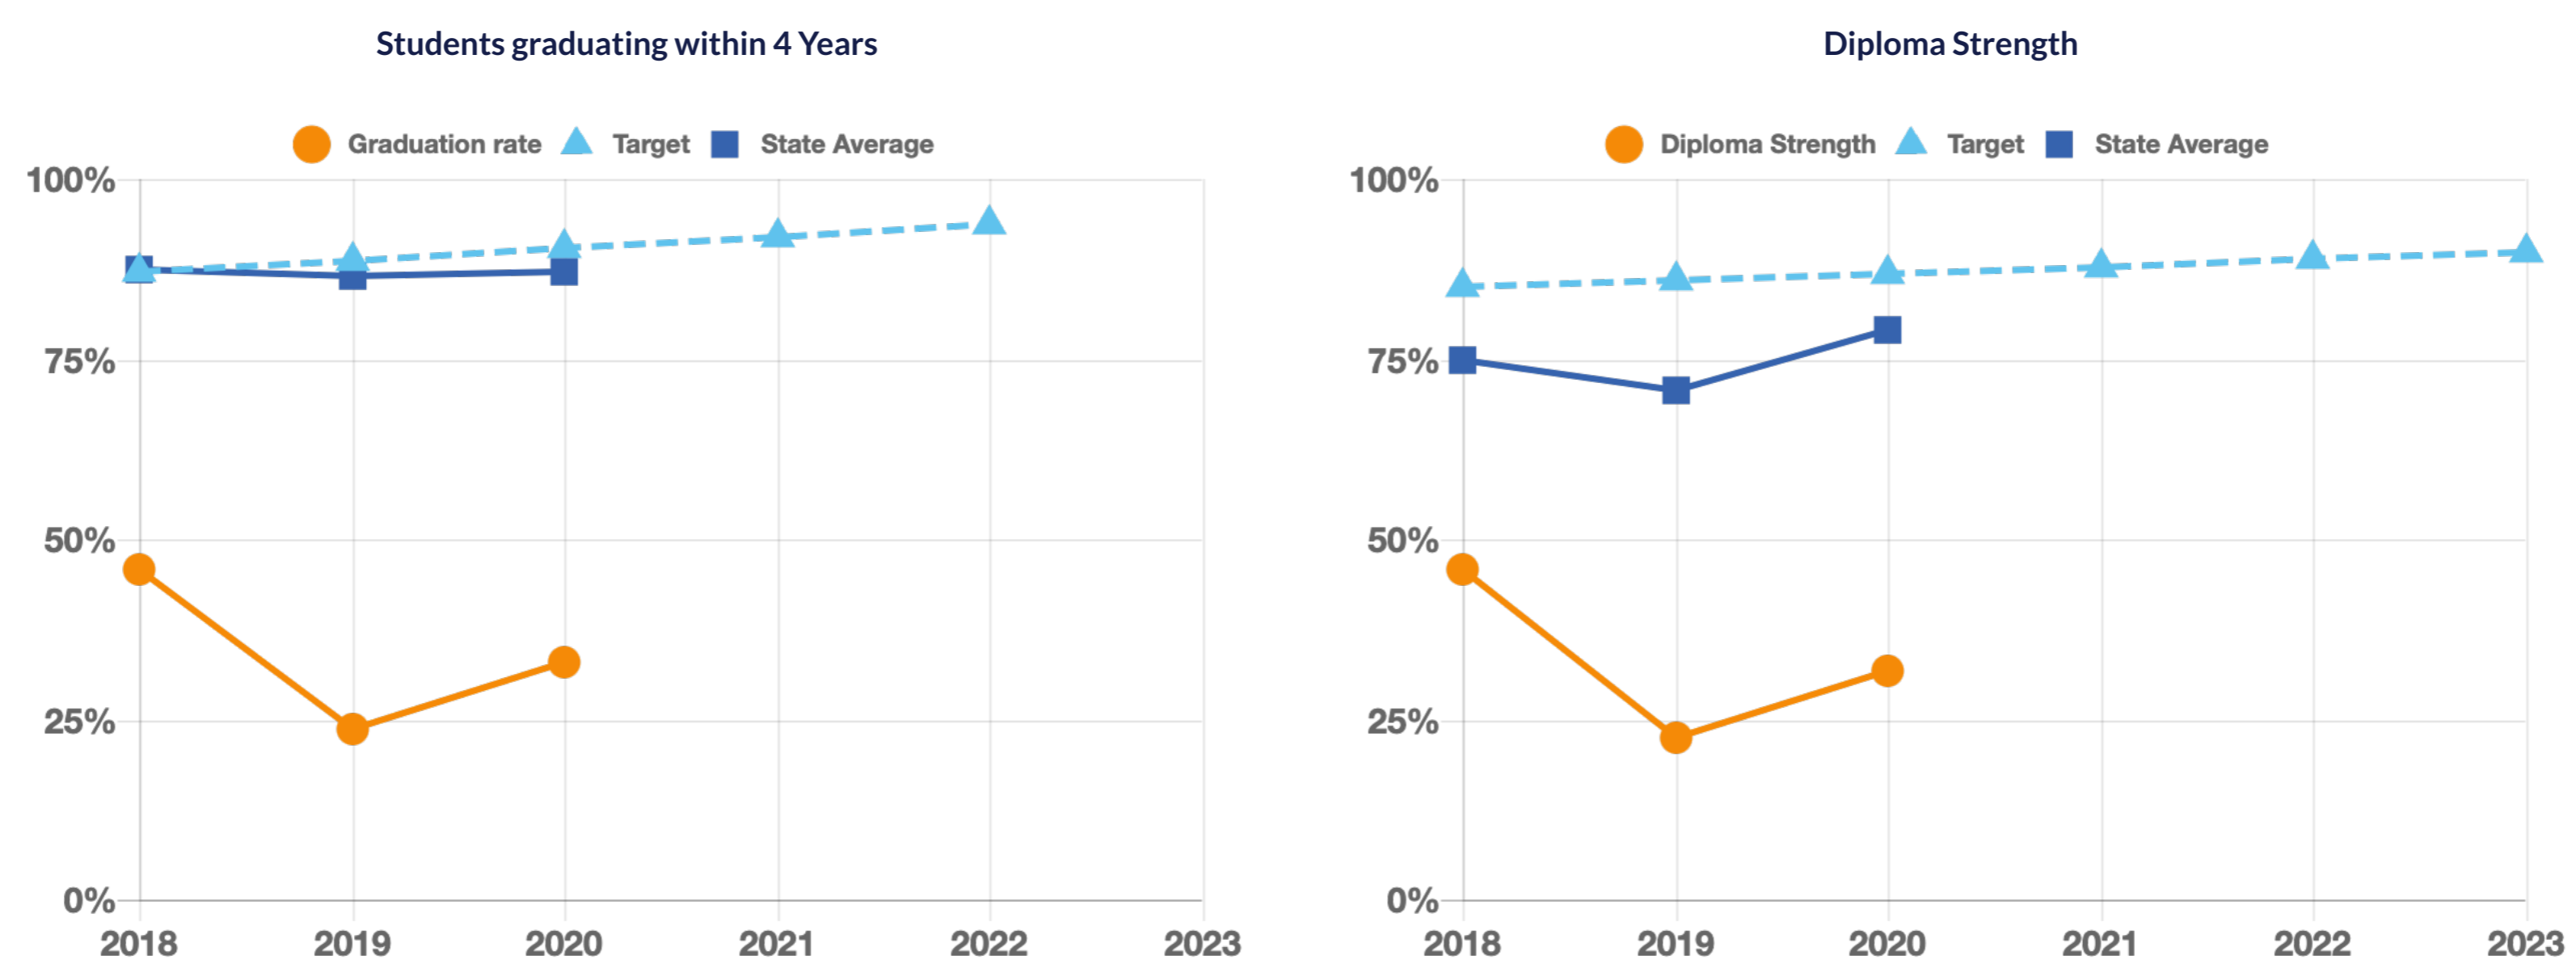

Graduation measures whether students successfully completed all requirements to move on from high school. Diploma strength measures whether students completed the requirements of Indiana's Core 40 diploma designation or higher, and did not receive a waiver from any graduation requirements.

How are students in this school performing compared to the state's interim targets for the Four Year Graduation Rate and Strength of Diploma?

Interim targets indicate expected progress needed to achieve the state's long-term graduation goals.
